## Vicar's Letter

*Dear All,*

As I write this, we are celebrating Pentecost also known as Whit Sunday. This is the day when celebrate the Holy Spirit appearing among the disciples and empowering them to go out to all the world and preach the Gospel. Some say it is the birthday of the Church. It is certainly a day, and an event worth celebrating and worth telling other people about.

This is just what we do as we walk around part of the parish in our Whit Walk. It's a highlight of the year for many of us: a wonderful brass band, hymn singing on the streets, a large number of people young and old, colourful flags and banners and generous amounts of food to finish. All the joy and exuberance of Holy Spirit on view to our friends and neighbours. We are, in effect, doing just what the Holy Spirit empowered the first disciples to do all those years ago; we come together as God's Church and we tell people about God's love and care. We witness about the Gospel, in other words. What a wonderful way to spend a Sunday morning.

Of course, it isn't just about Sunday morning and it's definitely not just one Sunday a year. As disciples of Christ we are *always* witnesses, or ambassadors as St Paul says. We are Christ's representatives on earth wherever we are, whatever we are doing and whoever we are with. This is a huge responsibility for all of us. It's also, I hope, a huge joy, and as in all things we don't do anything alone, the Holy Spirit is with us, and the Holy Spirit guides us if we ask him to.

That brings me on to two wonderful things that are coming up at St Thomas. Angela Bilbruck heard and accepted the calling of the Holy Spirit a few years ago and will soon be licensed as Reader. Please join us at Manchester Cathedral on **Sunday 14<sup>th</sup> July at 3pm** for this very special event. We are all so grateful that Angela will use her God-given gifts here at St Thomas.

The second is Rev'd Richard's ordination to the priesthood on **28<sup>th</sup> September**. Unusually, this will take place here in church and will use the Book of Common Prayer. Another wonderful service to look forward to.

Both Angela and Richard obeyed the calling of God's Spirit and have been led to new and exciting ministries.

Is God calling you? Are you aware of God's Spirit prompting you to explore new paths? How can you live out your calling to be witnesses and disciples of Christ?

With prayers,

*Rev'd Denise*

## **HONESTY, SINCERITY AND INTEGRITY**

Three key words that have helped form the foundations of success at Buffalo uPVC, according to owner Mark Farrey and his son Marcus who run the company from their home in Chadderton.

“The company’s excellent reputation is something we are very proud of” explained Mark. “Quite simply, if high quality products are fitted expertly at a fair and transparent price then the customer is happy and ready to recommend you. This is exactly what happens at Buffalo.”

Buffalo uPVC have replaced more than 50 miles of Rooflines and have installed over 5000 windows and doors since 2001. The company have also more than 3500 satisfied customers and most are within walking distance of each other.

Unlike other reputable companies in the area, Buffalo Upvc have virtually NO overheads. “Working from home gives us a real advantage when it comes to being able to offer our customers the market leading brands and A-Rated Energy glass if required” adds Marcus.

Buffalo uPVC have 2 Teams of highly skilled craftsmen. Both teams have been with the company for over 5 years and are equally responsible for our good name, whilst other companies have a large turnover of staff and rely on commission salespeople to paint you a picture of the outcome.

Buffalo uPVC doesn’t use sales commission agents. Either Mark or Marcus will come out and see you personally and the cost....A cup of tea (and probably a biscuit if it’s Marcus).

## **Churchwarden's Note**

Hello all,

It is always an interesting time when it comes to write this letter as it needs submitting in the middle of the previous month, so we are looking back and celebrating some events whilst simultaneously looking forward.

There are many things that we are thankful for on so many levels. The Whit Walk was my June highlight as it was uplifting to see so many come and join us on our celebration; not just those directly involved with the Church, but also Delph Band returning to lead us with rousing marches and providing music for our hymns, our community Police Sgt and PCSO's and our new Mayor. As is customary, all were welcome to our faith lunch afterwards where there was not only a great selection of food and cakes, but also food left over - this generosity of giving both in time and in items is something that we are all truly blessed with. It was also wonderful to have positive feedback on social media with numerous positive comments, pictures and videos on Facebook.

The ongoing building works are something that we all seem to have adapted to well and we can only thank all those who are working hard to keep the Church clean during these times. We are also able to keep the Church open on Saturdays during these works.

We are also thankful to those who completed the stewardship forms earlier in the year. Sam has completed her first full six-month rota and is incorporating new people in. If you are interested in becoming more active or taking up a new role then please speak to us.

Among the things that will be happening over the next two months will be the licensing of Angela Bilbruck as a reader in July, something that she has worked hard for and we are all extremely proud of her accomplishments.

We know that over the summer some people take things a little easier and we do have one thing to ask in relation to the church hall. Thanks in part to Sarah Edwards' organisation skills over the past year we are increasingly making use of this to external organisations. Please can we all be mindful that the hall is a shared space and where possible not use the stage for storage without prior discussion. We will be making some changes over the summer to increase storage.

**Have a good Summer!**

By the time you read this STYLE will have been on their spa weekend and the following week we will have helped at the Saddleworth Show at Well-i-hole Farm in Greenfield on the 30th June.

We would like to wish our STYLE member, Angela, all the best for her licensing service on 14<sup>th</sup> July.

We do not have as many events this summer but can assure you that there will be some exciting things happening later this year, from Singalong Mamma Mia, to the usual excitement of the Clothes Party. We are also supporting Angela's ECO Church with a "Run for the Loo" on 7<sup>th</sup> September – watch this space for details!

STYLE's next meeting will be Tuesday 2<sup>nd</sup> July at 7:30pm. We will not meet in August so the next one will be 10<sup>th</sup> September (the second Tuesday as we will be settling the children back to school in September). If anybody wishes to join STYLE please speak with any member of the group or the wardens, or just come along on the first Tuesday of the month to the choir vestry at the back of church at 7:30.

### Sunday School and Sunday Youth

Since Easter, Sunday school have been thinking about Eco-church which Angela has spoken about in church recently. The children have been really involved, discussing ways in which we can look after our immediate environment, whilst also taking care of the world around us. They were particularly excited to design posters about not littering and turning lights off when you leave the room etc. The children are also looking forward to making a bughouse, which did scare Lisa a little bit as she's not a fan of bugs, but they are so enthusiastic that this is something we will try to do over the summer break.

To continue to build on our Eco-church theme we hope to have a guest speaker from an environmental agency to talk about recycling and the importance of looking after our environment.

The Sunday school staff will be planning when Sunday School will run over the summer break. Please refer to the Sunday school Facebook page for further details.

If you have any queries for the Sunday school team, please do come in to Sunday school and speak with ourselves, or approach one of the churchwardens or vicar.

### HOW YOU CAN HELP US RAISE FUNDS & SAVE SOME MONEY YOURSELF?

Our insurers, Ecclesiastical Insurance, are donating £130 to a Church of your choice (eg. St. Thomas' Moorside) if you take out a new home insurance policy before 31st December 2019. All you have to do is quote 'Trust130' when you take out your policy, they will arrange the rest. Additionally, church workers and volunteers can save over 25% when they buy contents and buildings insurance together online. Enter the discount code DIOP10 when getting a quote online.

Ecclesiastical have been awarded Fairer Finance's 1st place gold ribbon for customer experience and voted the most trusted home insurance provider in their recent rankings. Visit <https://www.ecclesiastical.com/individuals/home-insurance/> or ring 0345 777 3322 for a quote. Lines are open between 8am and 6pm Monday to Friday. (Calls to 03 numbers are typically charged at no more than local rate).

Cheques have been sent to our Lent charities; **Oldham Mountain Rescue £187.71 and British Deaf Association £178.30**. Thank you for your donations and to those who made delicious soups and refreshments for Soup Sundays during Lent.

I recently applied to Action Together for funding to celebrate **Volunteers Week** (1<sup>st</sup>-7<sup>th</sup> June 2019). It was short notice but the application was approved and we hosted an afternoon tea in the church hall on Saturday 1st June. We had a really enjoyable afternoon with lots of our volunteers catching up and eating all the lovely food; there was so much left over that we could enjoy the food again after service the following day. "THANK YOU" to all our volunteers; we truly value all your support. We also thank Action Together for supporting this event.

Earlier this year, the PCC agreed that during baptism visits, Revd Denise should ask families if they would like to nominate a charity to share half of the proceeds of the baptism collection plate along with our Church. This has been very well received and, to date, donations have been sent to Dr Kershaw's Hospice, Cancer Research, Macmillan Cancer Support and the British Heart Foundation. Whilst helping other charities, we have also seen an increase in the amount donated to St Thomas Church. This came about because Simon was made aware of such a scheme in another Church and brought the suggestion to the PCC. If you are aware of anything working well elsewhere, please let us know so that it can be considered here.

A little advance notice that Gift weekend has been brought forward this year to coincide with Heritage Weekend. Therefore, it will be held on **14<sup>th</sup>/15<sup>th</sup> September** rather than in October. Gift Weekend envelopes will be available in the September magazine and in Church. It's a time for people to make an **extra** gift to St. Thomas' Church along with their regular weekly giving wherever possible. Your support would, as always, be greatly appreciated.

*Corinne*

*Angela's Journey* Well with my licensing service just days away now I've been asked to write some brief words about my journey to this point. If I'm honest though I never thought I was the type of person who God would choose to be a Leader in Church and a minister. God started working in my life from an early age and inspired me with some amazing women leaders who began my spiritual guidance. I'm talking of the Sunday school leaders I had at St. Matthew's with St. Mary's Church, Crumpsall. These included Miss Hannah, Mrs Roberts, Mrs Robinson and Mrs Sanderson, who were still teaching Sunday School 18 years later and asked me to join them. Their encouragement led me to take a more active part in the life of the church and make the decision to be confirmed.

When I started worshipping at St. Thomas's Moorside Church I was welcomed so warmly and encouraged to take part in various groups and church life. Then came the question 'Angela, have you ever considered becoming a Reader?' Since I was being asked by our then Church Warden, Corinne, I've experienced doubts, shock, joy, inspiration, friendship, and fellowship among many other emotions. Firstly, I needed to discuss my calling with Brenda, our Vicar at that time, and together we completed the application forms. Then came the interviews which included 3 with individuals from both lay and ordained ministers plus a half day panel at Church House which involved more interviews, a written activity and a role play activity with other Reader Candidates.

Once accepted the real journey began and it hasn't always been easy. There is a lot of work involved which can impact on other areas of your life. My away placement was challenging, as it meant I wasn't worshipping with friends and family but I began to see myself as a Leader under the guidance of Father David Warner, who gave me the opportunity to learn more about worshipping with all your senses and introduced me to more Catholic practices than I'd had previously experienced but which I now enjoy. However, the rewards far outweigh the difficulties encountered. I've made lifelong friends, both students and tutors at All Saints, who have travelled with me for the last two years. I've been inspired by my mentors and colleagues who have supported me through the highs and lows and the fellowship, sharing in worship and prayer has sustained me. The debates and discussions around scripture, faith, theology, and doctrine have been lively, challenging and enjoyable. I've learnt so much not just about the academics but about myself as well and I've changed, hopefully for the better, into a more understanding and tolerant person who will be able to support the community that has encouraged me to enter Lay ministry.

I'd like to finish this journey by thanking all those who have helped, inspired and supported me particularly my close family and friends but also Revd. Denise, Corinne, Revd. Paul, Father David but especially Barbara, Doris and Dorothy. Ladies you will always be role models x

*And there's more – An invitation from Richard Dashwood*

Dear All,

I am writing to let you know that, after much discussion with the diocese over the best date, I now know when I shall be ordained to the priesthood. It will happen on **Saturday 28th September at 2.30pm.** Better still, it will not happen at the cathedral. I am delighted to say that I shall be ordained right here at St Thomas by the Rt Rev'd Mark Ashcroft, the Bishop of Bolton. As it will just be me being ordained I have asked that the service be conducted using the ordination liturgy found in the Book of Common Prayer. In its current form this service dates back to 1662 though it is based on the first English language ordination service from 1552. For many generations this was the service that was used to ordain Anglican priests and although the contemporary language service is most commonly used today (and fair enough - it makes for a lovely ceremony,) I do love the traditional form of service.

My first celebration of the Eucharist will happen the following Sunday morning, the **29th September** at the usual time of **10.30am.** As it is the feast of Michaelmas I shall be able to wear white vestments for the feast day which includes the stole given to me as an ordination gift by my former parish priest a year ago. Both services are public acts of worship to which everyone is warmly invited. I know that our regulars will come on Sundays anyway but I would encourage as many of you as are able, to come on the Saturday too. It should be a lovely occasion and a great joy for me to celebrate it at St Thomas' where I have been made to feel very much at home by you all.

With blessings and best wishes

*Richard*

## **News from the Tower**

Ringling had been suspended for a few weeks due to the work on our church building, however we have just resumed our Monday evening practices in preparation for ringing for a wedding in July.

Our handbell ringers have a busy schedule before their summer break, performing on Oldham Community Radio on Monday 24<sup>th</sup> June, followed by presentations at St Thomas' Primary School on 1<sup>st</sup> July and at Lydgate Primary School on 8<sup>th</sup> July.

We are always happy to receive new members to both groups.

## **Church Choir**

On Sunday 16<sup>th</sup> June we held a Book of Common Prayer evensong in Church – something that has not been done here for maybe twenty years. Cathedrals all over the country maintain this tradition as do many parish churches. The choir sang settings of the Magnificat and Nunc Dimittis as well as the Psalm and Responses.

It would be really good to recruit some junior singers to our choir as well as any adults who enjoy singing.

*Gail Randall*

Thank you to Action Together, our mayor Ginny Alexander and our local councillors Cath Ball and Angela Cosgrove for organising a litter pick on Saturday 1<sup>st</sup> June. Well done to those who turned out to help, showing true community spirit.

Thankfully, after a few days constant rain, the weather cleared and held off whilst we walked round the parish, assisted by our new Mayor Ginny Alexander, the police and PCSO's, guided safely by our volunteer marshals and ably led by Delph Band. Ian Carr, the percussionist in the band, did really well as it was his first ever march prior to the band contests on Whit Friday.

Each section was represented – our clergy and wardens, the choir, congregation and groups connected to the church, the uniformed groups and Sunday School all with their banners, with the cross and Union Jack carried by the older boys. It always feels refreshing to get out into the community. Many of our neighbours came out to see what all the noise was about, and stayed to watch or even join in as we passed.

We received some lovely feedback from people on our Facebook page. Some comments were :-

*"just been surprised by Whit Walks complete with brass band, marching along Higher Fulwood, then stopping for a Hymn. Thank you so much, St. Thomas Moorside and Rev. Owen, for bolstering my faith in God and my local Community"*

*"Band sounded great could hear them far and wide in Moorside. Well done"*

This is what St. Thomas' does best – spreads the word (sometimes noisily!) and involves everyone in the community with a smile on their faces. Well done to all involved.

## **Eco Church update**

Well as I write this, I'm planning to package up the Bras and make-up we have collected and send to the two chosen charities. Please remember in future if you have any items you plan to throw out, DON'T! Bring them to Church and we will forward on. Thank you to all who have donated so far.

If anyone knows of other charities that will re-use our clothes etc. please let us know and we can set up collection points at church. I haven't yet accomplished much in making our church more Eco friendly, but I have done several things in my home and business life. I run a childcare business from home and realised that I produce a lot of plastic waste, foods in plastic packaging being possibly the biggest source, but also hygiene products and drinks. So here are some of the steps I've taken and shop more LOAF (that's local, animal friendly, organic and free trade which I'll talk about more in the future).

- 1) Purchase milk from a milkman using glass bottles that are washed and reused.
- 2) If I buy prepared food for toddlers and babies, select the brands that use glass jars or tins that will be recycled.
- 3) I'm cooking fresher both for home and work using a steamer/blender.
- 4) I've found a grocer who delivers and avoids using plastic. The produce is fresher than the supermarket and delivered the same day. The downside is I can't book a time slot as easily as supermarket deliveries, but they will deliver to a designated safe location on my property. It's slightly more expensive than the supermarket, but the single items are larger and there is no delivery charge if I spend £7.50. As I live some distance away, I'm currently researching deliveries in the Moorside area and will hopefully have some information for you in the next magazine.
- 5) My Local butchers allows me to take in my own containers and I'm going to check the policy at the cheaper supermarkets option. I'm also looking into companies offering home delivery.
- 6) Instead of using plastic containers for hand soap, shower gel and other liquids etc. I've decided to go back to bars but I'm cutting it up small and placing it in little wash bags so each person, particularly the little ones, can have their own and I can change them daily to still meet the hygiene requirements of running my business.
- 7) I've swapped to recycled toilet roll and kitchen roll which is not only cheaper but comes in compostable wrappings.
- 8) I'm trying a toothpaste tablet now but not sure if it's for me. I'll take some on the STYLE spa weekend for the ladies to try and get their feedback.
- 9) I'm making plastics such as cellophane and other wrappings into Eco bricks. I'm not sure yet what I'll do with them, but I think it might be garden furniture or a climbing frame!

Cont.../

Please let me know anything you try that works and may help others and we can have a top tip section in the magazine.

STYLE are going to complete a Dash for the Loo on **Saturday 7<sup>th</sup> September** to raise money to twin a toilet block. Watch out for details of our route and how you can join in or support us.

Best Wishes,

*Angela*

*Top Tip - Look for compostable wrappings on products rather than biodegradable or recyclable.*

Forgive us, Lord, that as we grow to maturity, our faith is blighted with doubts, withered with worry, tainted with sophistication.
